

## Local Places to Eat

*A small selection of local places to eat, outside of Cheltenham, that guests have recommended and I may have tried...*

### Winchcombe

*The Lion* <https://www.thelionwinchcombe.co.uk> Lovely Cotswold style gastropub, on the more expensive side of those in Winchcombe.

*The Corner Cupboard* <http://www.cornercupboardwinchcombe.co.uk> Good food, fairly priced, sort of how pubs were in the 90's, friendly team.

*The Plaisters Arms* <https://www.theplaisterersarms.com> Sri Lankan twist

*The White Hart* <https://whitehartwinchcombe.co.uk> Classic, typical menu, always popular, happy to help with dietary requirements.

### Toddington

*The Pheasant Inn* <http://thepheasantinntoddington.co.uk> - Good food, large portions, spacious setting, pool table, open fire and large outside eating area.

### Gretton

*The Royal Oak* <https://royaloakgretton.co.uk> This is a lovely pub with gorgeous views...but only before sunset! Large beer garden, sometimes with a BBQ in the summer. The steam trains run past the bottom of the garden.

### Alderton

*The Gardeners Arms* <https://www.gardenersarms.biz> A lovely local, really helpful for all varieties of diet and very dog friendly. Team are always happy to help.

### Stanton

*The Mount Inn* <https://www.themountinn.co.uk> Best food in the area, great hosts, beautiful location and fantastic food. Definitely need to book.

### Prestbury

*The Royal Oak* (another one...) <https://www.butcombe.com/pubs/the-royal-oak/> Great food, definitely need to book a table, always popular. Lovely beer garden.

*The Plough* <http://www.theploughprestbury.co.uk/the-plough-prestbury-cheltenham-menu.html> Typical local pub, good basic food, huge beer garden!
